The purpose of the data processing is to ensure and safeguard the impartial functioning and the independent operations of the EMCDDA and its constituent bodies, in the public interest and in accordance with the mandate assigned to the latter.

The legal basis for this data processing is provided by the above-mentioned decision of the EMCDDA Management Board adopting the EMCDDA Policy for the prevention and management of conflicts of interest, as published on the EMCDDA website. In particular this Policy provides for the publication of the CV on the EMCDDA website.

The EMCDDA Director is the data controller responsible for the aforementioned data processing.

As required by the aforementioned Policy, the CV will be disclosed to the recipients identified in the latter, namely the Members of the EMCDDA Management Board, the Members of the EMCDDA Scientific Committee and EMCDDA Director, as well as, under the authority of the latter and as required by the relevant data processing, the Head of the EMCDDA “Governance unit” and the Head of the EMCDDA “Administration unit”.

Furthermore, and in line with the pertinent provisions of the relevant EU legislation, the CV may be disclosed to bodies and actors in charge of audit, control, inspection or review of the EMCDDA acts, such as the European Court of Auditors, the EC Internal Audit Service, OLAF, the European Ombudsman and the European Data Protection Supervisor. In addition, the Declaration of independence, as any other EMCDDA documents, may be released, previously safeguarding any personal data identifying the data subjects, to citizens exercising the right to access documents, as foreseen by Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents.

The EMCDDA Director, as the responsible data controller, will ensure that any CV is duly filed and kept for a maximum retention period of 5 years, as from the end of the mandate of the concerned person in the relevant EMCDDA constituent body.

The data subject, i.e., the person who the CV refers to, will have the right to access his/her CV and update or correct it, as required, at any time. For this purpose, the data subject will have to address in writing the EMCDDA director, as the responsible data controller.

In case the CV is not delivered or is not complete, the EMCDDA director, as the responsible data controller, will contact the data subject concerned for the purpose of the required delivery or completion of the CV.

Without prejudice to any judicial remedy, the data subject will have the right to lodge a complaint with the European Data Protection Supervisor (edps@europa.eu), if he/she considers that his/her rights to the protection of his/her personal data have been infringed. In addition, the data subject may also take contact at any moment with the EMCDDA Data Protection Officer (dpo@emcdda.europa.eu)
